OTHER INFORMATION...

Delivery Methods

Here is a quick breakdown of how we usually ship orders.

1. Continental U.S. via Airborne Express 2-Days
2. P.O. Boxes, APO, FPO via U.S.P.S. Priority Mail.
3. PR, AK, HI via U.P.S. 2-Day service.
4. Foreign addresses via U.S.P.S. Air Mail.

Note: Next day and Saturday delivery is available for most areas. Please refer to the Shipping and Handling chart on the back cover for the costs. You will always be informed when ordering by phone of your expected delivery date.

Spray Paints and Primers

Due to Federal regulations, no spray cans may be shipped using any form of Air carrier. We can only send spray cans using U.P.S. ground service. This limits us to selling spray paints and primers to Continental U.S. addresses only.

Pre-Orders

You can call our Mail Order at anytime to find out what miniatures and boxed sets are due to be released. Whenever you pre-order new releases, they are out sent out to you the day they are released.

Backorders

Occasionally, an item may be on backorder and rather than hold up your whole order, we will send you what's in stock and then the backordered item(s) as they become available. If it looks like we won't get the backordered item in for some time, we will send you a credit note with a note explaining the problem.

Mistakes

Even we make the occasional mistake. If you do receive broken or miscast miniatures or we made an error on your order, than we'll gladly correct the problem. Give us a call and we will discuss whether its necessary for you to send any part of your order back, and how we can correct it. When you call us, we will need to know the full details of your order, so have your invoice copy at hand.

Returns

If you need to return an item that was wrongly supplied or was miscast, we will give you a credit note reimbursing you for your postage. Unfortunately we cannot accept models for exchange for any other reason than they were miscast or wrongly supplied, and under no circumstances can we take back models which are painted or assembled.

Credit Notes

When we send you a Credit Note, you may redeem it with your next Mail Order or you can request a full refund by check. We can now accept Credit Notes over the phone. Credit Notes don't go out of date and can be used at anytime.

DA ROOLZ BOYZ...

When you play Games Workshop games, situations will arise which just don't seem to be covered in the rules. Don't panic, this happens to everyone. Our games are complex evolving systems and despite our best attempts, it really is impossible to write a rulebook that covers every interpretation of the rules and gaming situation. The first step is to reread the section of the rules concerned. If this doesn't sort the problem out, see if you and your opponent can agree on a common sense solution at least until the end of the game. If you really can't agree then roll a dice and get on with the game!

If you didn't sort out the problem and need a more permanent solution, you can contact the Roolz Boyz here at Games Workshop. Like yourselves, the Roolz Boyz are enthusiastic gamers. However, we do not write the official rules and can't spend too much time answering rules questions over the phone or we'll never get the orders shipped! If you have more than a couple of questions, please write them down and FAX or mail them to us with a self-addressed stamped envelope, and we'll be happy to reply back right away.
