

WARHAMMER 40,000

CODEX: SPACE MARINES

Official Update Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

ERRATA

Page 151 – Hellblaster Squad

Change the Power Level to '8'.

Change the second sentence of the unit description to read:

'It can additionally contain up to 5 Hellblasters (**Power Rating +8**).'

Page 160 – Drop Pod, Drop Pod Assault

Change the Matched Play clause to read:

'This model and any units embarked aboard it are exempt from the Tactical Reserves matched play rule, except that if it and any units embarked aboard it have not arrived on the battlefield by the end of the third battle round, they count as having been destroyed.'

Page 175 – Ultramarines: Codex Discipline

Change the final sentence to read:

'Units with this tactic that cannot **FLY** can shoot in a turn in which they Fell Back, but if they do, when resolving an attack made by a model in that unit in the Shooting phase of that turn, subtract 1 from the hit roll.'

Page 180 – Auspex Scan

Change the first sentence to read:

'Use this Stratagem after your opponent sets up a unit on the battlefield as reinforcements within 12" of any **ADEPTUS ASTARTES INFANTRY** units from your army.'

Page 185 – The Vox Espiritum

Change the second sentence to read:

'If a model has this Relic, add 3" to the range characteristic of its aura abilities (e.g. Rites of Battle) to a maximum of 9".'

IMPERIUM NIHILUS: VIGILUS DEFIANT ERRATA

Since the release of the *Imperium Nihilus: Vigilus Defiant* book, a number of the rules presented there have been superseded by those found in *Codex: Space Marines*. This has necessitated the following changes to *Imperium Nihilus: Vigilus Defiant*:

Page 174 – Grey Shield

Change the first paragraph to read:

'Once per battle, at the start of your Movement phase, if your Warlord is on the battlefield, you can choose for **INDOMITUS CRUSADER** units in the same Detachment as your Warlord to gain an additional Chapter Tactic until the start of your next turn. Pick the additional Chapter Tactic from the following: Codex Discipline, Lightning Assault, Siege Masters, Righteous Zeal, Forged in Battle, Shadow Masters, The Flesh is Weak, No Matter the Odds (see *Codex: Space Marines*).'

Page 175 – Stratagems

Remove the Boltstorm, Rapid Fire, Target Sighted and Veteran Intercessors Stratagems from this Specialist Detachment.

Designer's Note: *Updated versions of these Stratagems can be found in Codex: Space Marines.*

FAQs

Q. Can I use a Stratagems from the 2017 edition of Codex: Space Marines if there is not an updated version of that Stratagem in the 2019 edition of Codex: Space Marines?

A: No, none of the rules found in the 2017 edition of Codex: Space Marines can be used.

Q. If I include a Space Marines Detachment in my army, can I use the Stratagems from Codex: Space Marines to affect ADEPTUS ASTARTES units from other codexes, such as Codex: Grey Knights or Codex: Deathwatch?

A: No, as noted in the second paragraph under Space Marine Units and Detachments on page 174 of Codex: Space Marines.

*Q: Does adding an **OFFICIO ASSASSINORUM** model to my army with the 'Operative Requisition Sanctioned' Stratagem prevent the rest of my army from using Combat Doctrines?*

A: Yes. Note that this model remains part of your army if it is destroyed.

Q: If an ability or rule generates an additional hit, (e.g. the Imperial Siege Masters Chapter Tactic), do these additional hits gain any other benefits that would apply to an attack on a hit roll of 6 (e.g. an Infiltrator's marksman bolt carbine)?

A: Yes, the additional hits are treated as having rolled the same value as the dice roll that generated them.

Q: A lot of rules apply an effect when resolving an attack, rather than attacks. Does this mean the ability only applies for one single attack? For example, the Masterful Marksmanship Stratagem states 'Until the end of the phase, when resolving an attack made with a special issue boltgun by a model in that unit, add 1 to the wound roll.'

A: The attack sequence in the core rules is based on attacks being made one at a time. Therefore the wording of these abilities matches how attacks are resolved in the core rules. The ability would still apply to other attacks made by that unit, so long as it satisfied the requirements laid out in the rule. In the above example, the ability would apply for each attack you make with a special issue boltgun by a model in that unit until the end of the phase.

Q: If I upgrade my Captain in Phobos Armour to be a Chapter Master, should the Infiltrator Comms Array still work with this model, and with its Chapter Master ability instead of Rites of Battle?

A: No.

*Q: If an **IMPULSOR** unit moves and a unit embarked upon it disembarks as a result of the Assault Vehicle ability, can that disembarking unit then move?*

A: Yes.

Q: If you have a unit that can shoot twice, (e.g. a Thunderfire Cannon affected by the Suppression Fire Stratagem), and it has the Salamander's Forged in Battle Chapter Tactic, can it re-roll one hit and one wound roll both times it shoots, or only once?

A: Both times. The Forged in Battle Chapter Tactic takes effect each time a unit is chosen to shoot with and the unit in question is being chosen to shoot with twice.

Q: Can a Captain replace his master-crafted boltgun with a chainsword, then replace that chainsword with a storm shield?

A: Yes, because these wargear options are two separate bullet points (you cannot choose the same bullet-pointed wargear option for a unit more than once, however).

Q: Some datasheets that were in the 2017 edition of Codex: Space Marines are not in the 2019 edition, but are still in Index: Imperium 1. Can the versions from Index: Imperium 1 still be used?

A: Yes, provided an updated datasheet is not found for them elsewhere (e.g. in a codex supplement).

Q: Does a Chaplain have to be on the battlefield to recite a litany?

A: Yes.

Q: Can successor Chapters use the Warlord Traits of their founding Chapter?

A: Not as presented on page 179 of *Codex: Space Marines*. However, if you have a successor Chapter and are using a codex supplement of your founding Chapter, that publication will describe how you can select Warlord Traits (and other rules) from your founding Chapter as presented in that publication.

Q: Can I use the Flakk Missile Stratagem when a model fires a cyclone missile launcher?

A: No.

Q: Which part of a Drop Pod should I measure distances from and to, especially if the model has been assembled so its doors can be opened or closed?

A: Measure all distances to and from any part of the model, including its doors. If this model has been assembled such that you can lower and raise its doors, then when this model is first set up in the battlefield choose whether the doors will be lowered or raised – you cannot raise or lower the doors thereafter during the battle.

Designer's Note: Choosing to set this model up in the 'raised doors position' simply represents the doors closing the instant after its passengers have disembarked.

Q: When a unit with the And They Shall Know No Fear ability takes a Morale test, is the number that is added to the dice roll for the number of models destroyed in that unit for that turn considered to be a modifier (for the purposes of applying re-rolls before modifiers)?

A: No, the number added is not considered to be a modifier.

Q: Can a Techmarine Gunner make ranged attacks in the same phase in which it operates a Thunderfire Cannon?

A: Yes.

Q: Can I use a Signum to increase the Ballistic Skill characteristic of a model when it shoots with a ranged weapon before being removed as a casualty as part of the Astartes Banner ability?

A: No.

Q: Can the Auspex Scan Stratagem be used to shoot an enemy unit that is set up on the battlefield before the start of the first turn?

A: No.
