

AUTO-CHORAL TRANSMITTER

A. PIPEWAY ACCESS POINT

AUTO-CHORAL TRANSMITTER

DESCRIPTION

This terrain datasheet consists of 1 Auto-choral Transmitter terrain feature. An Auto-choral Transmitter has one pipeway access point, shown on the reverse of this card by the **blue** keyline. If this terrain feature is on your battlefield, use the terrain category and terrain traits shown below for it. This terrain feature otherwise follows all the rules for terrain features as described in the Warhammer 40,000 Core Book.

TERRAIN CATEGORY

An Auto-choral Transmitter is an Obstacle terrain feature

TERRAIN TRAITS

An Auto-choral Transmitter has the following terrain traits:

- Inspiring
- Obscuring
- Unstable Position

NARRATIVE PLAY TERRAIN ABILITIES

In narrative play games, this terrain feature has the following additional abilities:

Broadcast Augmentation: At the end of your Movement phase, you can select one **CHARACTER** unit from your army that is within 1" of any terrain features with this ability. Until the end of the turn, while that unit is within 1" of any terrain features with this ability, add 3" to the range of that unit's aura abilities. Any terrain features that are connected to an Auto-choral Transmitter also have this ability.

Icon of the Omnissiah's Might: While an **ADEPTUS MECHANICUS** unit is within 6" of this terrain feature, each time a Combat Attrition test is taken for that unit, ignore any or all modifiers.
